SUBMIT ONLY HIGH-QUALITY PRINTED, ORIGINAL FORMS TO THE DEPARTMENT.

Do not photocopy. Do not cut or resize the bottom portion of the voucher in any way. When printing the document from the Internet or a software product, the printer setting, "Page scaling" should be set to none to prevent resizing.

Taxpayers may also pay taxes over the Internet using the Department's web site.

By going to www.tax.state.nm.us and selecting E-Services, you may pay by electronic check at no charge. An electronic check authorizes TRD to debit your checking account in the amount and on the date you specify. You may also pay using Visa, MasterCard or American Express cards. A 2.49% convenience fee applies. The fee is calculated on the amount of the transaction and covers costs that the companies bill the state when you use your card.
